

The best way to experience Scratch Festival is to see more than one thing in a night. To help you plan your night, we've put together some suggested combinations. Your Scratch experience is entirely up to you - you can follow the suggestions below or just pick a couple of shows from each, or plan your own journey by downloading the calendar from the Scratch Festival page on the website (where you downloaded this). If you want any help or advice give our Box Office a call on 020 7223 2223. Scratches that are priced at £5 (£3 concs) are included in the 3 for 2 offer. The offer can be spread out over the festival, so you don't need to book the 3 shows for the same night. However, some of the journeys below have 3 Scratches that can be seen on the same night and are marked as 3 for 2. The 3 for 2 offer must be booked through Box Office & is not available online.
