

### How can you get free tickets?

- You must be aged under 26 years at the time of the show
- You can get up to six free tickets per booking for you and your under 26 years friends
- Just call the Box Office of the theatre you want tickets from (ideally in advance) or call into the theatre (unfortunately free tickets are not available online)
- The only condition is that you provide your name, a full UK residential address, your date of birth and/or a mobile phone number or e-mail address when you book (we won't accept hotel or hostel addresses, just your home address)
- We'll also sign you up to an email or SMS list so that you can get more information about shows and other ticket offers at these theatres
- Tickets are offered on a first-come, first-served basis and are subject to availability (there may also be age restrictions for some shows)

### What happens then?

- You'll need to collect your free tickets on the day of the performance (usually no later than 30 minutes beforehand)
- We'll need to see proof of age for everybody in your booking who's using a free ticket:
  - A driving licence
  - A valid passport
  - A birth certificate
  - PASS-approved card
  - 16-25 RailcardPlease note that a NUS (or NUS Extra card) will not be accepted as proof of age, as it does not have a photograph on it
- Tickets can't be transferred to someone else and will only be issued to the person who booked (on production of ID)
- If you don't collect your tickets and haven't let the theatre know, you may not be allowed to use this scheme at this theatre or the others listed below
